A black and white photograph of Euclid Senior High School. The building is a large, multi-story structure with a central entrance featuring a portico supported by four columns. A tall flagpole stands in front of the entrance, flying the American flag. The schoolyard in front is paved with a wide path leading to the entrance, flanked by grass and small trees. The sky is clear.

# Dedication

In 1948 the panther was chosen as the symbol of Euclid High School. For the past nine years he has watched our school grow; and we, in turn, have watched him grow. Today, he rules the school as the figurehead of our school spirit. Never before has he meant so much. We can never forget the hard fighting panther leading us to victory and success in all phases of school life.

It is with pride that we, the editors, dedicate the 1957 Euclidian to the Euclid Panther.

# Alma Mater

Hail to Thee, O Euclid High School,  
To thy name all praise we sing.  
Happy days of youthful pleasure;  
Learning, living, life so dear,  
Our hearts fill with gratitude  
For all that is to be —  
Alma Mater, Euclid High School,  
All our praise we bring to thee.

Where the blue of Erie's waters  
Casts the sun's bright golden rays,  
There all Euclid's sons and daughters  
Sing the joys of student days.  
If after days be dark and drear  
And storms of life draw nigh,  
The memories of our friendships here  
Will lift our hearts to Euclid High.

The halls were still and quiet, soon to become alive. Soon posters would be up and students would be hurrying to get to their next class.

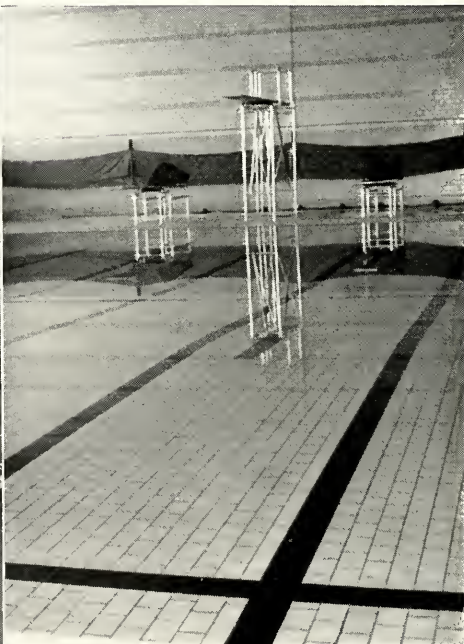

This is Euclid High, the school in which I reign supreme. For many days the auditorium lobby remained polished and shiny waiting for the students to enter, stepping quickly to the music of the pit band. It was in this some auditorium that the first football recognition ceremony was held.

How many students would walk up these steps each day! Most of them would be wearing pins or signs cheering for one of the many activities.

Spirit prevailed whether in sports or studies. The library, trophy case, and pool are all symbols of contests; as books and sportsmanship go hand-in-hand.

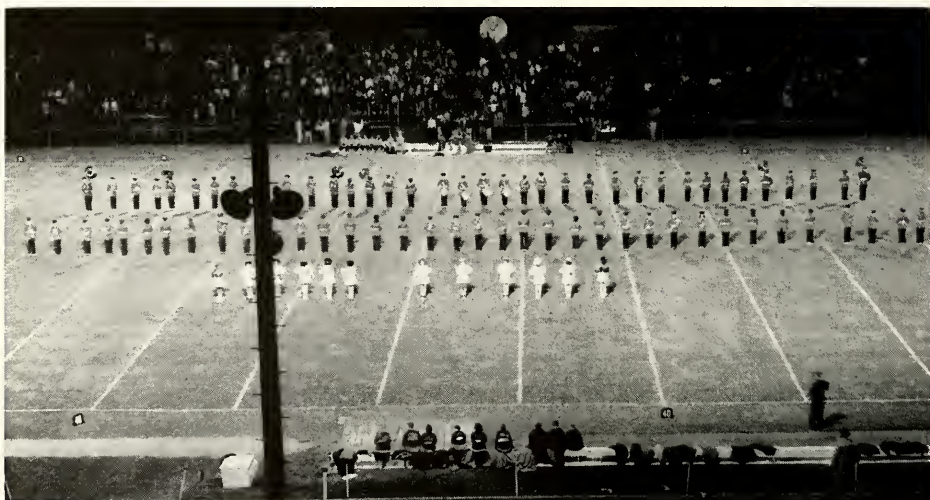

Both students and faculty members carried forth the enthusiasm of our spirit. In the cafeteria they cheered, in the rec room hard ping-pong battles were waged, and in the office corridor many ways were organized to maintain this spirit.

Few students will remember this part of the school. Usually this path was used as a short cut to the wood shop or to the parking lot.

For weeks previous to the first football game, the band practiced on the football field. It, too, played an important part in the spirit.

At last the first day of school arrived and the '56 and '57 activities began. The spirit broke forward as the Sophomores learned the ways and traditions of E. H. S.

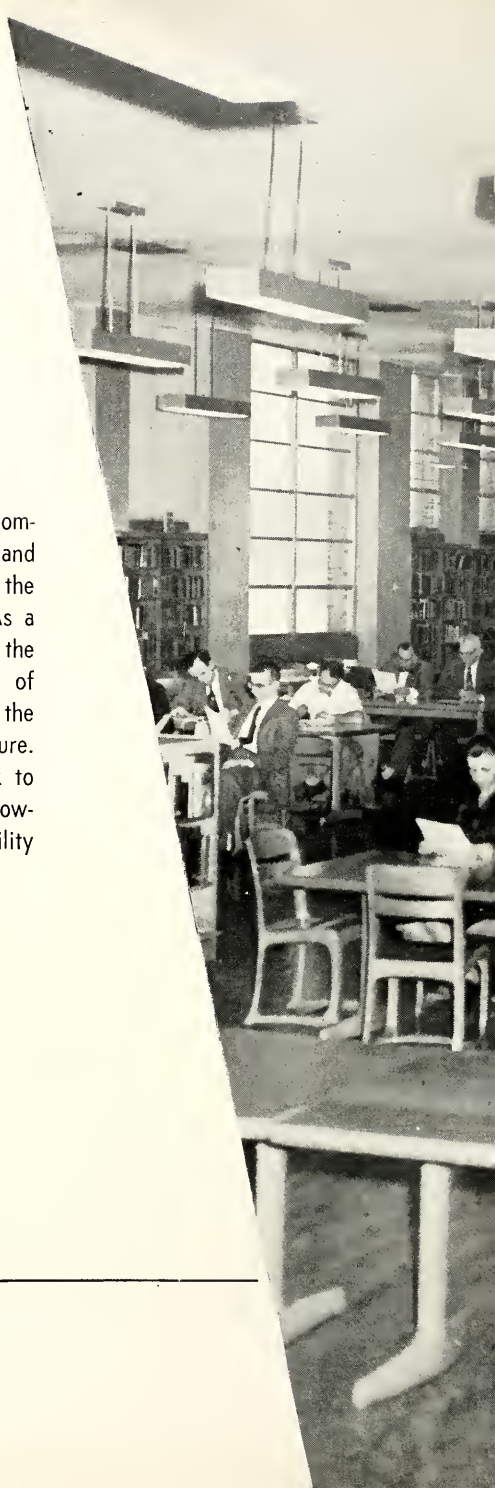

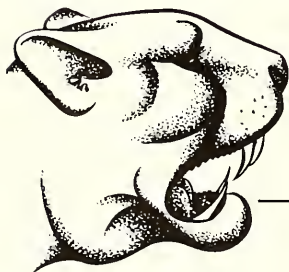

At night, too, I was remembered. Student voices rang out at the evening games. Plays, musical programs and other activities were supported. This indeed was to be a glorious year.

# Administration and Faculty

Little could have been accomplished in studies, activities and spirit without the support of the faculty and administration. As a unit they worked to give the students all the advantages of education. Truly they are the guideposts of America's future. With that in mind, they work to give the future of America knowledge, character, and the ability to guide others.

#### BOARD OF EDUCATION

Left to right: Loyal Luikart, C. E. Bowman, Russell Glass, Mrs. Grace Watkins, John Davis

"School spirit" is one of those intangibles that result from a good school. Teachers sense it and so does your community. It appears to be strongest in those schools where the student body and faculty together are enthusiastic about what the school is trying to do. That is the reason that in some of our colleges the crowd in the stadium will remain standing and cheer the losing team in an athletic contest. It was not winning or losing which was most important. The character and integrity of the boys and girls and their willingness to do the right thing is a basic factor. To do the right thing and to be proud of it in the face of the scorn of others is one of the most important lessons a person may learn. To be proud each year of achievement, contributions made, and future ambitions is the prerogative of every senior class.

My best wishes to the class of 1957.

Sincerely yours,  
W. G. Fordyce  
Superintendent of Schools

This year Euclid Senior High has reached a new high in school spirit which has been manifested in the classroom as well as in extra-curricular activities. Wholehearted devotion to worthy purposes, willingness to participate, and appreciation of the efforts of others are some of the components of real spirit. To find yourself, it is said, you must lose yourself in a great cause. May you transpose this school spirit into community spirit, working loyally for the home, school, church, and civic enterprises.

L. E. Angene  
Director of Instruction

As we come to the close of another year of activity and achievement at Euclid Senior High School we turn with enthusiasm to peruse the pages of our yearbook. I am sure the Euclidian brings real pleasure to all now and will continue to be cherished as the years come and go. The staff has done an excellent job. Our congratulations and thanks to the sponsors, staff and all who had a part in making this Euclidian possible. Our best wishes go with the class of 1957.

Sincerely,  
Clifford G. Owens  
Principal

Upon your graduation from Euclid Senior High you will have passed another important step in life. Memories are wonderful but you must look to the future also.

It will be possible for us to learn much from you if you will share your future experiences with us. You will be welcome whenever you come back to visit the high school.

Sincerely,  
Meryl R. Baumer  
Assistant Principal

Many times in the years ahead of you this year book will help you to recall the joys and the pleasures you shared in Euclid High School. It will become more valuable to you each year.

Congratulations and best wishes to all of you and may you have happiness and success in the years to come.

As the underclass members take your places they will profit by your experiences and your many contributions.

Harriet Sheats  
Dean of Girls

Since 1949 Euclid High School has been providing a broad foundation on which our young men and women have built their future. Whether you plan to enter college or go immediately into industry the values you have credited here will be of much help. May you always be a credit to your school, your community, and to our nation.

Bruce Graham  
Dean of Boys

Above are two typical scenes of our faculty. To many students, grading papers is the symbol of the teaching profession. In the faculty library Elaine Mylar takes dictation from Mr. Burger as Mr. Pringle completes yesterday's test papers. The faculty catch up on the daily notices and exchange information in the mail room.

Pictured here are some of our teachers at a faculty picnic. They stated, "We have just begun to eat."

# Seniors

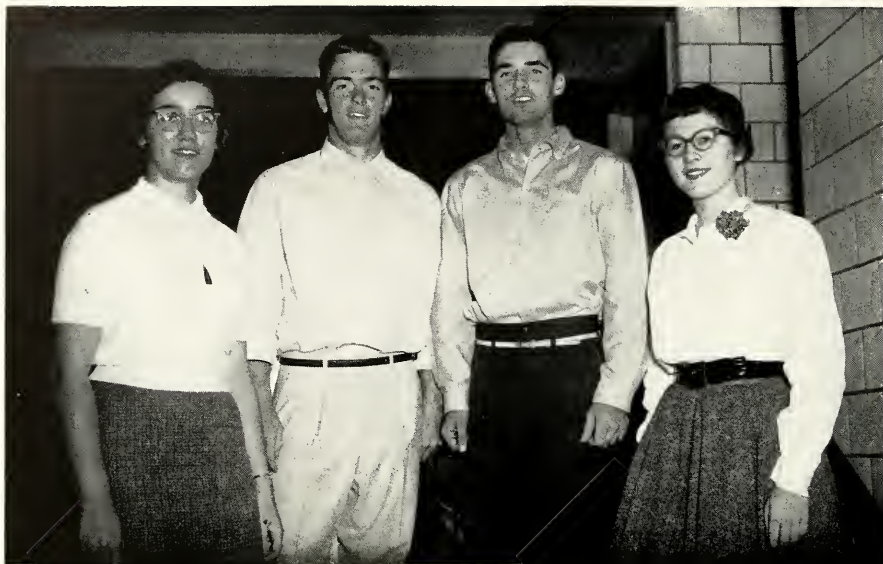

With an eye toward the future the Seniors worked together making their last year a momentous one. Friends became closer, underclassmen were regarded with warmth and a little envy, and the teachers received gratitude and thanks for their patience and understanding.

As the year slowly drew to a close, dreams turned into reality as Seniors began their march into the future. Someday they will look back to their days at Euclid High remembering "the happy days of youthful pleasure, learning, living life so dear" and the "memories of our friendships here will lift our hearts to Euclid High."

Entering the doors of Euclid High in September 1954, the Class of '57 found a school new to tradition and spirit. Our Junior year found us organizing the first guidance council and dancing to the music of Harry Hershey at the "Southern Plantation".

It was in our Junior year that the spirit finally arrived. As Seniors, it was our job to continue the spirit. For the first time our football team brought home a victory on Homecoming. Both the football team and cross country won Lake Erie League Championships.

The Senior Prom, picnic, assembly, and graduation helped to complete a perfect year. In the future, the Class of '57 can look back with pride and happy memories at their years at Euclid High.

# Underclassmen

Underclassmen have helped develop the spirit and traditions at Euclid. When they entered as Sophomores they were frightened individuals without a sense of belonging. For two years they were to work together to develop a class spirit and loyalty to the school. Their Junior Varsity football team became Co-Champs of the L. E. L. and their assemblies provided entertainment for all. Scholastically and in service, the juniors and sophomores have done their share of the job of keeping Euclid tops. As upperclassmen next year, they will be expected to maintain the same high standards.

# Organizations

Through the various clubs and organizations at Euclid High, students were offered a chance to earn recognition, become good citizens, develop future goals, and make social contacts. Many friendships were developed in social clubs, and the school and community benefited from the work of the service clubs.

# National Honor Society

## OFFICERS

S. Graham, Vice President; M. McCall, Treasurer; A. Hale, President; N. Halderman, Secretary.

The most coveted honor that a high school student can receive is to be selected as a member of the National Honor Society. To be eligible, a student must have an average of eighty-five or better; be in the upper third of his class; and display outstanding traits of character, leadership, and service.

As leaders in our high school, National Honor members helped to continue the spirit through the various organizations in which they participated.

## National Forensic League

One of the foremost organizations is the National Forensic League. Composed of sophomores, juniors, and seniors, members get a chance to participate in such speech activities as debate, original oratory, humorous, dramatic, oratorical declamation, and extemporaneous speaking.

On their many trips throughout the year they showed others how a winning spirit helps to make a winning school.

It is the aim of every high school writer to become a member of the International Quill and Scroll. I. Q. S. recognizes any student who has made a worthy contribution to one of the school publications, is in the upper third of his class scholastically, and has been recommended by an advisor.

Through their work on the Euclidian, Survey, and Eucuyo, members encouraged spirit by informing and uniting students on important issues and events.

## Thespians

Students who have earned points through participation in dramatic productions are selected as members of Thespians, Euclid's dramatic society. At their monthly meetings, members worked hard learning the different aspects of the theater, later incorporated into their annual assembly.

Thespians, in their second year at Euclid High, were a big factor in the school's increased spirit.

**STUDENT COUNCIL OFFICERS**

T. Gregorc, President; S. Korencic, Secretary; D. Doley, Treasurer; J. Wawrzyniak, Vice President.

Serving as the link between the students and faculty, the Student Council is the most prominent organization and governing body in our school. Representatives from every homeroom meet weekly to discuss the various problems arising in our school.

Hall guards, concessions, assemblies, room secretaries, guides, the recreation room, and the magazine drive are only a few of their services. This year the Student Council worked hard in getting funds for the new "E" room.

# Euclidian

## EUCLIDIAN EDITORS

M. Hummon, D. Hamilton, G. Brewster, D. Brigger, T. Gregorc, S. Mock.

Selected on personality, ability, dependability, initiative, scholarship, the '57 Euclidian staff has been meeting since November '55 to bring you a yearbook of which you can be proud.

Editorial staff members can never forget the hectic rush, previous to their deadline, the closet, and the enjoyment and fun, they shared with their sponsor, Mr. Gene Pillot, in putting out the '57 Euclidian.

It is only through the efforts of the Euclidian Business Staff that we are able to publish a yearbook of this size. The Business Staff raises money by selling subscriptions and advertisements. Every year they put out the school record and see that the supplements are sent to alumni subscribers. Their most pleasant job is the distribution of the yearbook to all subscribers during the latter part of May.

#### **SURVEY EDITORS**

G. Waldman, B. Katosic, M. Yager, R. Templin, W. Eckley, L. Soderberg, Editor-in-Chief; J. Wakelee, J. Runo, D. Rash, C. Conrad.

Meeting the last minute deadline seems to be the dominating factor to editors and reporters of our school paper—"The Survey." Members of the editorial staff all get an equal chance to write editorials, gather news material, take students' polls and write columns. The staff is run by six editors and an editor-in-chief. Together they all help in publishing a "newsy" and interesting paper.

Collecting subscription money and seeing that each subscriber received a Survey every two weeks was the main job of the homeroom representatives of the Survey Business Staff. Along with the Business Managers these people sold football and basketball programs, solicited advertising, and also had the difficult job of raising money for the publication of the Survey and the sports programs.

**CHEERLEADER'S CAPTAIN**

Pot Nipple

Constantly working to perfect cheers and to increase school spirit, the cheerleaders and megaphone club have planned pep rallies and boosted attendance at home and away games.

The cheerleaders are chosen on acrobatics, arm and leg movements, co-ordination, facial expression, poise, and the ability to lead cheers. They are the true representatives of our school spirit, for they are the leaders of our spirit.

#### HEAD MAJORETTES

Sally Korencic and Judy Magalenga

Euclid students will never forget the 1957 majorettes strutting across the football field or dancing to the music of the band at games or pep rollies. Kicking high, twirling batons and forming various formations, the majorettes would perform their dance routines, the highlight of the halftime programs.

Through the Eucuyo, Euclid's literary magazine, aspiring authors get a chance to see their poems, short stories, or essays in print. After an extensive contest, articles submitted by the student body are voted upon and edited for publication by the Publications Club. All art work and printing is done by students. Many of the articles are submitted to national contests where Euclid students often receive prizes.

Each spring two Euclid students are sent expenses paid to New York to visit the U. N., and Euclid World Affairs members participate annually in a Model U. N. Assembly held at the Lakewood Civic Auditorium.

The Spirits Club is a newly organized club which is largely responsible for the organization of school spirit. Remaining anonymous until the end of their Senior year, members make posters, tags and sponsor buses in co-operation with other school organizations and the athletic department. The "Panther of the Week" award, given to an outstanding student, and the selling of Panther sweat-shirts were only two of their projects.

## Key Club

The International Key Club is a group organized to promote community service. Sponsored by the Kiwanis Club, members have the opportunity to visit various factories, hear speakers, and learn about the business world. Last summer Bob Chapman and Bill Zahler attended the International Key Club Convention held in Texas. There they learned about the organization of other clubs.

Through Key Club activities boys learn the responsibilities of good community citizenship.

# Sports

Participation in sports develops sportsmanship and teamwork. Through the intra-mural program for girls and the various inter-school sports for boys, Euclid students were able to develop these characteristics. This year has been an eventful one as Euclid students saw the Cross-Country, Wrestling and Football Teams become champion or Co-Champs of the Lake Erie League.

# Student Life

Here, in Student Life, is the story of Euclid High, a school enriching the lives of all. To be a part of Euclid is more than attending classes. It is friendships; the thrill of the first day; watching and cheering at an important game; singing the "Star Spangled Banner" at an assembly; or waiting for the 3:20 bell to ring. Regardless of the occasion, the spirit exists and will remain in future years as memories of these events.

Homecoming festivities began with the nomination of these fifteen girls by the Lettermen's Club and the election by the student Body.

The crystal ball and a winning team made this year's dance perfect.

Queen Sally Korencic and her court were announced at the dance and posed for their royal portrait.

Captain Bob Cromer and Pat Smith throw the Heights dummy into the Bonfire.

A victory was the hope of all as the cheerleaders led the crowd in "Victory."

A jam packed stadium cheered and yelled as they watched Euclid win their first Homecoming game.

The Sophomores went back to the "good old daze".

The Sophomore Class presented their first assembly in the latter part of October. Euclid students went back to the roaring twenties where bathing beauties and night club singers whooped it up.

They still have schools in the year 2000.

The slogan for the day the Juniors presented their assembly was "better late than never". Based on school life in the year 2000, scenes depicting the average school day and Homecoming were presented.

The "biggest and best" is what the Seniors worked for and achieved in their fall assembly. Patterned after Greenwich Village, the assembly used a regular stage setting for the first time.

Hey Jim! Where did you dig up the weed?

Maxine Priest teaches the varsity football players the art of dancing gracefully.

"Come on Jackson, and get hep."

Arlene McCormack's jive number was one of the biggest production numbers in the assembly.

Miss Hansen explains class procedures to parents at the annual Open House.

Parents got a chance to learn about their child's courses at the annual Open House. Various remarks were heard; the most common being "Honestly, I don't know how the children do it. Those stairs really are a challenge."

Many a future teacher's heart was filled with thoughts of years to come as they were inducted into F.T.A.

Through the hard work of the Deans and Mr. Owens, Euclid's annual College Nite was a success. The purpose of College Nite is to inform the students and parents on various college's curricula and requirements.

Interested students learn about college requirements at the annual College Nite.

After game dances were always popular as they gave students a chance to get - together informally and talk over the game.

Dennis Rosh forgot to watch the dancing when he saw Tony with a camera.

Euclid couples step lightly across the floor after the football game.

"Oh Jon, you dance divinely!"

Tony Gregorc and his Silvertones were a favorite dance band.

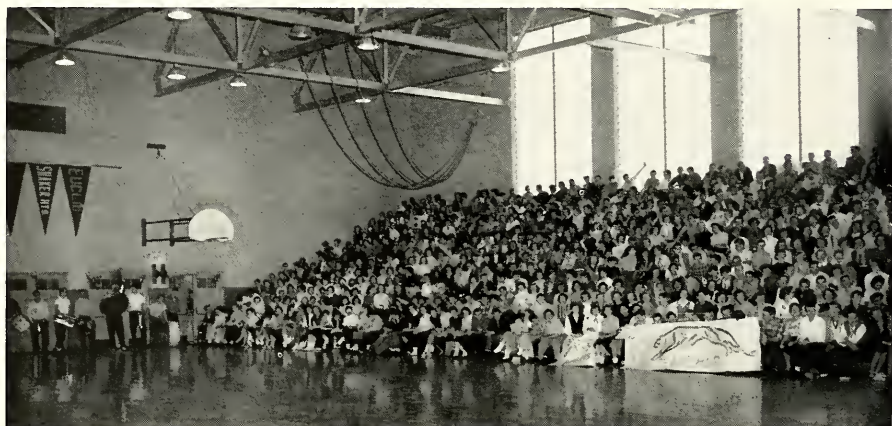

Next year, the after game dances will be as much looked forward to as they were this year. Gone with them are many memories of good fun.

This year because of the increased spirit, pep assemblies were held more often. The pep band, cheerleaders, and majorettes were all part of the excited crowd urging their team to bring home a victory.

Majorettes strut down the gym to the "Euclid Fight Song."

The gym was like a bomb ready to explode before the crowd stood for the "Victory" cheer and the singing of the "Alma Mater" which brought the rallies to a close. The cheering continued — not stopping until after the game.

Concession workers were kept busy selling pop, coffee, candy, hot dogs, and popcorn to hungry customers. Through the efforts of the Student Council and Ad Club, refreshments and tickets were easily and quickly obtained, adding to the enjoyment of visitors.

At both home and away games Euclid students and adults filled the stands. Regardless of the weather or distance, Euclid fans were there showing the team that win or lose they were behind them.

Euclid students bundled up at the Harvey game.

C'mon Euclid — slaughter Shaw!

The most memorable football game was the night Euclid beat Shaw to become Co-Champs of the Lake Erie League. Students began to gather at the high school about 6:30 for the car caravan which would travel to Shaw.

"And we will fight — And we will win"

Decorated with signs and shakers, the buses and cars were filled with excited students, eager to see Euclid win. Windows were open so that cheers and pep songs were heard as the caravan proceeded down Euclid Avenue.

We're on our way!

Euclid students arrived forty-five minutes early to fill up the Shaw and Euclid stands. Their cheers were heard by the team in the locker room listening to Coach Mohr's pre-game instructions.

Mr. Taylor and the choir boosted school spirit by selling shakers and sponsoring buses.

Mr. "T" and a bus load of Euclid rooters arrive at Shaw.

"Everyone" went to the victory party at Marcia Hill's home.

By out-cheering and out fighting Shaw, Euclid's team returned home to Euclid where students waited to greet them. It was a night to remember, the night when the coaches' and team's beliefs and Euclid's spirit paid off.

The votes were counted at the mock presidential election, in which President Eisenhower won student support.

To prepare students for future elections, Euclid held its second mock election, Tuesday, November 4 under the direction of a Senior speech class. Students planned the election and helped at the ballot boxes, counting and tallying the returns.

To raise money for the Community Chest, the Billy Williams Quartet visited Euclid through the efforts of Bill Randle.

Every Friday, students entered the auditorium to enjoy entertaining yet educational assemblies, planned by various organizations and outside groups. Each class held a party where they had an opportunity to become better acquainted and raise funds for class projects.

Sophomores get together for the first time at their party.

For the last time the class of '57 had their fall party. Tony Gregorc's band played as the Seniors whooped it up. There was plenty of food and many came back for seconds and thirds.

Don Howard asked, "Is that a cookie I see before me?"

Sandy Mock accompanied by the "Silvertones" entertained the happy Seniors.

The Girls' Dixie Land Band was quite a hit.

Entertainment was provided by the Seniors themselves. As the fun continued, memories of previous parties prevailed as — Sophomores, our first get-together; as Juniors, the Virginia reel; and as Seniors, the jokes and laughter.

The choir sings "The Hymn of Thanksgiving."

Thanksgiving signified the traditional Regents Hi-Y assembly. Poems on the Spirit of Thanksgiving were read by members, and the music in the background made this a beautiful and inspiring assembly. This year, Reverend Mayer delivered an inspiring talk on the true meaning of the Spirit of Thanksgiving.

The student body listened to Reverend Mayer intently.

The choir gave its annual Thanksgiving program the day before Thanksgiving. The program, serious in nature, was in keeping with the freedom and Day of Thanksgiving we in the United States celebrate and enjoy.

Mr. Taylor announces the "Thanksgiving proclamation."

Christmas meant a great deal to the Choir. The day before the Christmas assembly, choir alumni members and the present members decorated the Christmas trees at the first Choir party.

The Girls' Glee Club in one of their songs.

Choir alumni members joined the choir in the traditional "The Lord Bless You and Keep You."

Santa Claus visits the third floor homerooms.

The whole school was decorated as the homerooms and Student Council joined to make this Christmas a gay one in the halls of Euclid High. Miss Williams' homeroom 201 won the prize for the best decorated Senior homeroom.

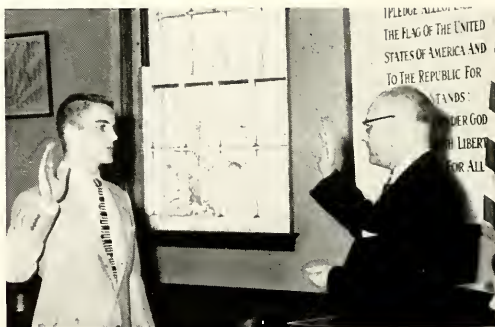

The Futurite party begins its campaign.

Each year, in connection with the Senior government classes, Euclid students take over the city government for a day. Signs and posters showing party platforms and candidates were posted throughout the halls.

Euclid's City Council is sworn in.

Tom Wight, Tony Gregorc and Guy Donahue were elected mayor, council president and judge respectively. On January 16, they took office along with the other elected officials.

Tom Wight takes the oath of office from Mayor Sims.

One of the most impressive and long-awaited assemblies was the National Honor Induction Assembly, which took place on January 18. Speeches on character, scholarship, service and leadership were delivered by members of the organization.

Natalie Holderman calls the roll of new members.

Joanne Sanda, Ron Fasimpour, Arlene Valdugo and Tom Eddy delivered the speeches this year.

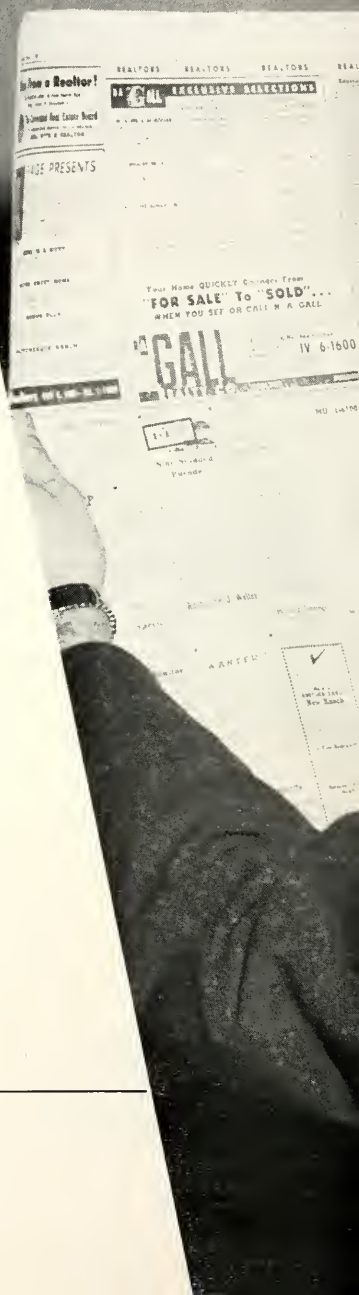

New members begin their part in the ceremony.

There were many anxious moments as the roll was called and new members were ushered to the stage. The organ music in the background and the happiness of the new members all added to the program. After the ceremony and pictures were completed, a tea was held in the cafeteria for parents and new members.

# Advertising

A most important part of school spirit is the backing of the parents and community. With true spirit our community has backed our sports, organizations, and activities as shown by the advertisers on the following pages. Without their aid, this yearbook could not have been published.

This is one of a series of Good Citizenship messages which The Lubrizol Corporation sponsors in community newspapers.

# Who's Running This Country?

"The president?" said Susie.

"No," said Uncle Sam.

"The Government?" said Richard.

"No," said Uncle Sam. "*The people* run this country.

"In ancient days Kings used to *rule* the people. Today, in some nations, government *dictates* to the people. But here in the U.S.A., the *people* are the boss. The U.S. Constitution starts

with the words, 'We the people of the United States'.

"The people elect the men who make our laws and the men who administer our laws. The people elect, or their elected representatives appoint, the men who interpret our laws. That's how the people run the country.

"Now, boys and girls, *you* are part of the people. So when you grow up, *you're* going to have to help run the United States of America!"

## A Grand Place for a Date with a Date!

SOME TIME WHEN you're lined up with your date for dinner and a show, downtown, start an hour earlier and stop first at the THOMPSON AUTO ALBUM AND AVIATION MUSEUM, Chester Avenue and East 30th Street.

This is one place where you won't have to "make" conversation — it just comes naturally!

Time turns back half a century when you're with more than a hundred venerable ancestors of today's sleek hardtops and sportsters — all of them perfectly restored, shiny with brass, and mighty handsome in a grandfatherly sort of way. (In their heyday they boasted of a lot of "pick-up.")

Ancient flying machines which blazed the way for modern jets are proud company for the four-wheel veterans. And adjoining the museum proper is the life-size reincarnation of a typical Gay Nineties "Main Street," populated by wax figures, all busy with their stores and chores. The establishments of "THOMPSONVILLE — 1898" are loaded with authentic furnishings, fixtures and mementos gathered from all parts of the nation.

Many folks organize parties to visit the Museum before dinner and show-time, as a warm-up for the evening. The party idea is good, too!

The Museum is open Weekdays from 1:00 to 5:00 and on Sundays 11:00 to 5:00. Admission free — closed only on legal holidays.

Our gracious curator, Ruth Franklin, will be happy to see you anytime. Make it a date with a date, or a party — "SPEND AN HOUR IN YESTERDAY."

# JUNIOR PROM—Heavenly Evening

The Junior class spent a "heavenly evening" in Hawaii as members danced to the music of Harry Hershey at the Junior Party on May 11. Hawaiian girls decorated the stairway to the cafeteria and Hawaiian flowers and scenes added to the illusion. Between dances the Juniors enjoyed punch, coconut chips, and cookies and had a chance to exchange comments on gowns, the decorations, and the photographs taken by Raimor Studios. Coketail and after-prom parties added to the enjoyment of the evening. For souvenirs each girl received a miniature ukulele and leis to remind her of the "Lanai Ahiohi".

## FACULTY ASSEMBLY—Around the World In 80 Days

Euclid students traveled "around the world in 80 days" during the second annual faculty assembly. Directed by Mrs. Nancy McMahon, the assembly featured original songs, scenery, cherry-slip plane tickets, and many hilarious moments including "El Taro" Owens and the "girls".

As Mr. Wallace guided Mr. Amster on the tour, Euclid students met dancing Dutch girls, singing Frenchmen, Monaco's rulers, a crooning gondola driver and a tribe of starving American Indians.

Highlighting the assembly was the presentation of the Faculty Panther of the Year, Mr. George Wiley.

# SENIOR BANQUET

The beginning of the end of a wonderful Senior year began with the Senior Banquet which took place at the Lake Shore Country Club on May 7.

After a meal, which was met with mixed emotions, Tom Eddy as master of ceremonies introduced Dr. Fordyce and Mr. Owens who gave short but interesting speeches. Various members of the class also entertained the Seniors. After the reading of the class poem, Seniors danced to the music of Harry Hershey and later attended various parties and open houses.

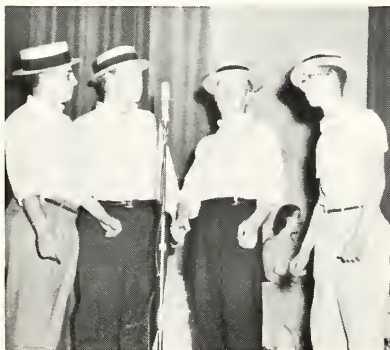

# SENIOR ASSEMBLY—Showboat

Printed programs, an ovation by the underclassmen, the singing of the Alma Mater, and leaving the auditorium first for the last time were part of the memories of the Senior Assembly.

Aboard the modern showboat, the S.S. Panther, underclassmen viewed for the last time the Class of 1957. A variety of new and old acts including a melodrama, two quartets, singing, dancing, and comedy were presented.

# SENIOR PROM—Almost Paradise

"Almost Paradise" was the theme of the Senior Prom held this year at the Tapco Ballroom. From 9:00 to 1:00, 520 Seniors and guests danced to the music of Billy Lang's Band in a heavenly atmosphere of glittering stars and beautiful decorations.

At 1:00 the After-Prom Party sponsored by the Interservice Club began with the presentation of the Key to the City to Class President Dave Lockwood. At 2:00 movies of the prom, taken earlier, were shown.

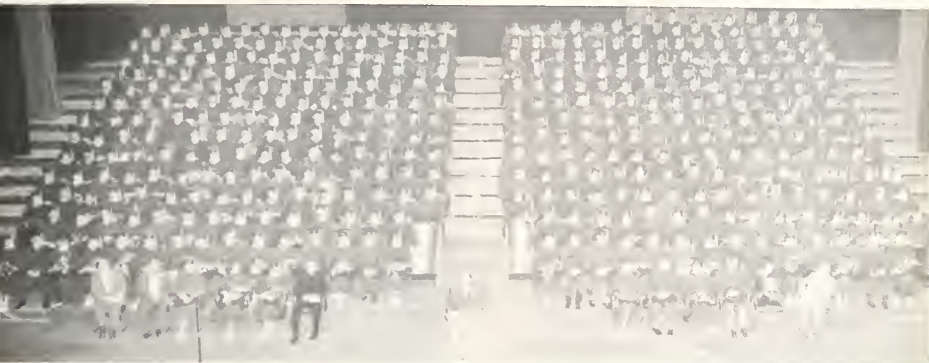

# SENIOR PROM

Led by the band on a Tapco truck, Seniors went to the dining room where they enjoyed chicken or steak dinners. Entertainment, which consisted of a five act floor show highlighted by Dick Maleri and the Tracy Twins, lasted until 5:30 when the dancing resumed. Before the Seniors signed out, a quick snack of coffee and doughnuts was served. After a quick nap, church, and the picnic, no one looked forward to the day after.

# COMMENCEMENT

CLASS OF '57

COMMENCEMENT AND. BACCALAUREATE EXERCISES

# COMMENCEMENT

Practices over, Seniors, wearing their caps and gowns for the first time, marched into the high school auditorium to the traditional "Pomp and Circumstance" for the Baccalaureate services which took place on Sunday, June 2.

Rabbi Rudolph Adler gave the address, "Foundations of a Happy Life". Reverend Robert Clapp gave the Invocation, Scripture Reading and Benediction. The Senior Choir sang "Halls of Ivy" and "You'll Never Walk Alone".

Baccalaureate was the beginning of the many graduation parties and open houses.

# COMMENCEMENT

433 Seniors listened as Jim Wawrzyniak introduced Dr. Carl C. Bracy who gave the Commencement Address at the exercises held at the Music Hall on June 4. Edwin Pejack, Valedictorian; Judy Wakelee, Salutatorian; Carol Pearlman, Arlene Valduga, Sandy Mock, and Maxine Priest participated in the exercises. Reverend Eugene C. Best gave the Invocation and Benediction.

After Mr. Owens certified the class and Dr. Fordyce presented the class, Mr. Russell Glass presented the diplomas to the happy and proud Class of '57.

Caps, gowns, flowers, new dresses, cameras, ham handwiches, homeroom teachers, and receiving the coveted diploma are all a part of the many memories of graduation.

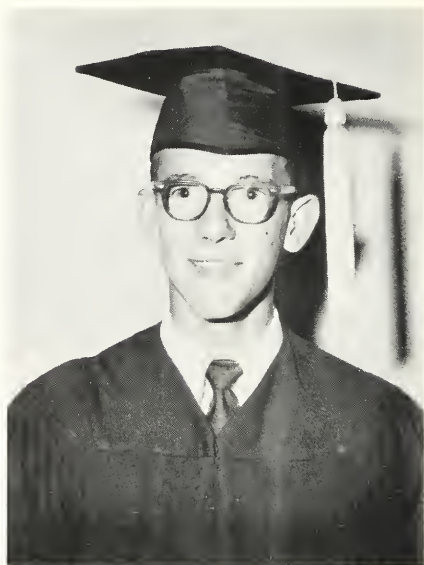

# EUCLID'S TOP STUDENTS

Edwin Pejack, Valedictorian, ranked first in a class of 433 students. Ed was a mathematics and science major and received a Panther of the Week award for placing first in the Senior Scholarship Test and in two of the National Merit Tests.

His keen sense of humor, good sportsmanship and easy going personality make him a person well liked by his fellow classmates. He participated in the Trig and Slide Rule Club, Zoology Club, Chemistry Club, and as a member of the Tennis Team for two years. Ed was elected to the National Honor Society.

Ed received a scholarship to Carnegie Tech and was awarded the Bausch and Lomb award and the Rensselaer Medal.

Judy Wakelee delivered the Salutatory at the Commencement exercises for her work in attaining the second highest average in the Class of '57.

Enrolled in the commercial course, Judy participated in many extra-curricular activities including National Forensic League, Thespians, Quill and Scroll, and Eucuyo staff. Judy was treasurer of the Euclidian Business staff in her Junior year and was copy editor of the Survey in her Senior year.

She could always be counted on to do a job efficiently and diligently. Because of her all-around personality and many activities, Judy was elected into the National Honor Society in her Junior year.
